DETAILED ACTION

1. Claims 14-27, which are renumbered as claims 1-14 respectively are allowed.

Drawings

2. The drawings were received on 3/22/2004 as replacement drawings for figure 1 and 3. These drawings are accepted for the examination purposes only. New corrected drawings in compliance with 37 CFR 1.121(d) are required in this application because the submitted drawings appear to be informal drawings. Applicant is advised to employ the services of a competent patent draftsman outside the Office, as the U.S. Patent and Trademark Office no longer prepares new drawings. The corrected drawings are required in reply to the Office action to avoid abandonment of the application. The requirement for corrected drawings will not be held in abeyance.

3. The following is an examiner's statement of reasons for allowance: applicants' arguments filed on 7/26/2004 are persuasive regarding claims 14-27.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
